Revolutionize your undergraduate instruction with Top Hat!

Caitlin Carter, MLIS
Kate Mercer, MI, PhD Cand.

What is Top Hat?
- Audience response system
- Variety of question types
- Attendance, grading, discussions, homework, tournaments
- Internationally adopted

- January 2016: School of Pharmacy pilots Top Hat in all 1st yr courses
- Pharm 155: Introduction to Drug Information Fundamentals
## Strengths

- Intuitive use
- Web-based
- Real-time results
- Encourages class participation
- Automatic grading/attendance
- May reduce cheating
- Better exam performance

## Limitations

- Cost for students ($72 lifetime purchase fee)
- Time investment
- Technological mishaps

---

Thank you! Questions?
